Knit Michigan 2009 supports the following Michigan cancer organizations

Barbara Ann Karamanos Cancer Institute

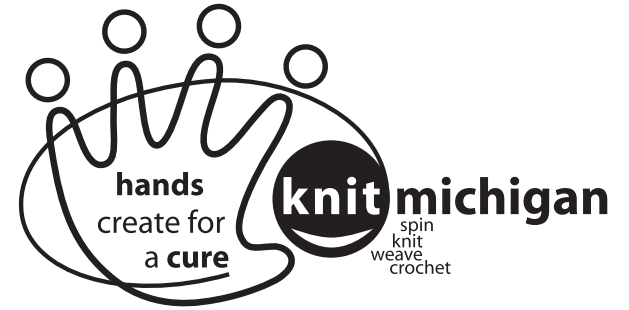

Beaumont Hospitals - Rose Cancer Treatment Center

Genesys Regional Medical Center

Gilda's Club

University of Michigan Comprehensive Cancer Center

Nearly 100% of the money raised today will be distributed to the above listed cancer organizations. Many contributed to the success of this event in the form of both goods and services. This is an extraordinary volunteer event supported by very generous people. With your support, we hope to surpass last year's event where we raised over \$30,000.

Thank you - You made it possible!

To the many, many volunteers who gave time, product for the snack bar, goods for the silent auction and just plain moral support, we thank you. The list has grown so long that it just won't fit in this space anymore - but we are no less appreciative of your commitment and help.
